## LEVENTIS Municipal Museum

Byzantine – Medieval period //

**24** May 2018 - **27** Jan 2019

### NICOSIA: THE BIRTH AND GROWTH OF A CAPITAL. BYZANTINE – MEDIEVAL PERIOD / EXHIBITION

The exhibition relates the historical path of Nicosia through time. From seat of the Byzantine administration, the city evolves to the capital of the Feudal Kingdom of the Lusignans (1192 -1478).

Then, as part of the mercantile state of La Serenissima, it serves as centre of the Venetian Rule until 1571. In September 1571, Nicosia along with the rest of Cyprus falls under the dominion of the Ottoman Turks.

**Venue:** Leventis Municipal Museum of Nicosia
